Good morning,

How can we obtain a short term extension of time to complete. My wife Anne is a paralegal, handles these compliance matters for Lowcountry Trolley. She has been in transition with a new job after having a brain aneurysm. We most get this done within a short period of time, if we could have an extension until till the end of February it will be taken care of before then.

Any help is appreciated. Thank you for your time.

Roger - Lowcountry Trolley
